

Complete prototype flow

Administration • Property Owner • Lawyer • CA • Buyer

Captured from a running browser prototype with sample data

Separate staff workspace

- Super Admin, Sub Admin and Employee use separate staff accounts.
- Each role sees only its authorised team and controls.

Customer roles and review

- A customer keeps their joining role and later-added roles.
- Super Admin reviews Lawyer and CA profiles.

Administration Management

Four-stage property form

- Owner enters basics, location, ownership and dispute context.
- Draft and submitted states are tracked separately.

The screenshot displays the Nirvivad web application interface for a property owner. At the top, the header includes the Nirvivad logo, navigation links for 'Website', 'Console role', 'Property Owner' (with a dropdown arrow), 'Manage roles', 'KYC centre', and 'Sign out'. Below the header, a dark blue banner reads 'YOUR NIRVIVAD CONSOLE' followed by 'Submit a property' and a subtext: 'Save incomplete details as a draft, then submit when the basics are ready.' The main content area is titled 'PROPERTY SUBMISSION' and shows a progress bar for 'Property · 0% complete'. A four-stage process is outlined: 1. Property (Tell us what you own), 2. Location (Place it on the map), 3. Ownership (Confirm your connection), and 4. Review (Add context and submit). The first stage, 'Property', is active and contains a form with two fields: 'Property name / title *' with the value 'Sample Pune residence' and 'Property category *' with a dropdown menu set to 'Residential'.

Basic KYC is shared

- Aadhaar and PAN are entered once for the customer.
- Basic KYC is separate from Employee property review.

The screenshot shows the Nirvivad web interface for a Property Owner. The header includes the Nirvivad logo, navigation links for Website, Console role (set to Property Owner), Manage roles, KYC centre, and Sign out. The main content area is titled 'YOUR NIRVIVAD CONSOLE' and 'Property Owner KYC', with a subtext 'Submit basic identity details once to use them across your roles.' A light blue box contains a disclaimer: 'Use sample details. This prototype records masked identifiers and attachment names only; no files are uploaded or externally verified.' The form itself has two columns. The left column has 'Aadhaar number' and 'Aadhaar card image (optional)' fields. The right column has 'PAN number' and 'PAN card image (optional)' fields. Each image field includes a 'Choose File' button and the text 'No file chosen'. Below the image fields, a note states: 'Optional attachments: JPG, PNG, WebP or PDF, up to 5 MB each. Additional role-specific requirements will be added after client confirmation.' At the bottom, there are two buttons: 'Submit basic KYC' and 'Back to KYC centre'.

Select only missing information

- Employee requests chosen FRD fields and document categories.
- Already-provided items are marked and cannot be requested again.

The screenshot displays the 'Request details' page in the Nirvivad application. The interface is divided into three main sections: a left sidebar, a top header, and a main content area.

Left Sidebar:

- Nirvivad** logo with the tagline 'PROPERTY. WITH CLARITY.'
- ADMINISTRATION 01** (active)
- WORKSPACE**
 - Overview
 - Prototype summary
 - Users & hierarchy
 - Customer accounts
- REQUEST WORKFLOWS**
 - Property submissions (active)
 - Buyer enquiries
- PLATFORM SETTINGS**
 - Master data
 - Subscriptions

Top Header:

- Administration / Request details
- View website
- User profile: AS Ananya Sharma, Super Admin

Main Content Area:

Fields

- ☒ Full property address
- ☐ Pincode
- ☐ Registration / deed number
- ☐ Survey / khasra / plot identifier
- ☐ Legal owner name(s)
- ☐ Ownership share / percentage
- ☐ Possession status / details
- ☐ POA / authority details
- ☐ Parties involved
- ☐ Court / case / arbitration reference
- ☐ Dispute facts / description
- ☐ Chronology / key events
- ☐ Current case position / relief sought
- ☐ Government / claimed status (GDS)

Documents

- ☒ Registration / deed document
- ☐ Ownership / authority proof
- ☐ Survey / plot record
- ☐ Dispute / court record
- ☐ Valuation / tax record

Respond to the team request

- Owner sees requested actions without internal remarks.
- Sample image and PDF submissions can be previewed.

Progress and subscription

- Team records eligibility and customer-visible updates.
- The Owner can choose a prototype subscription after eligibility.

The screenshot displays the Nirvivad console interface for a user with the role of 'Property Owner'. The header includes the Nirvivad logo, navigation links for 'Website', 'Console role', 'Property Owner' (with a dropdown arrow), 'Manage roles', 'KYC centre', and 'Sign out'. The main content area is titled 'YOUR NIRVIVAD CONSOLE' and features a large blue banner for 'Sample Pune residence' with the subtitle 'Your key milestones and any action requested by the Nirvivad team.' Below this, there are three main sections: 1. 'Property progress' for property ID 'NV-WE27AZGO', showing a progress bar, submission date '6/10/2026', and details 'Residential · Pune · 1200 Square Foot', with a 'Choose a subscription' button. 2. 'KYC' status showing 'Aadhaar: verified' and 'PAN: verified', with a 'View Owner KYC' button and a note to 'Complete Owner KYC at any time, independently of property review.' 3. 'Subscription' status showing 'pending' and a 'Choose plan' button. At the bottom, an 'Actions and updates' section shows a log entry: 'Property submitted for review. Nirvivad will update you after review.' dated '6/10/2026, 6:28:53 pm'.

Controlled case sharing

- The Lawyer receives only fields and files selected by the team.
- The assigned case does not expose the complete property record.

Submit report
Ownership / title observations

Legal report

- The report covers title, authority, risks, missing items and recommendation.
- Administration receives the completed report.

The image shows a web application interface for Nirvivad. The header includes the Nirvivad logo, a navigation bar with links for Website, Console role, Lawyer (selected), Manage roles, KYC centre, and Sign out. The main content area is titled 'Submit report' and contains four sections, each with a text input field:

- Ownership / title observations**
- Authority / possession**
- Legal risks**
- Missing information**

Each input field has a small icon in the bottom right corner, likely for clearing the field. A vertical scrollbar is visible on the right side of the form area.

Separate financial review

- The CA receives a separate selection of data and documents.
- The report captures valuation, tax, financial risks and recommendation.

The image shows a web application interface for Nirvivad. At the top, there is a header bar with the Nirvivad logo on the left and navigation links on the right: 'Website', 'Console role', 'Chartered Accountant' (with a dropdown arrow), 'Manage roles', 'KYC centre', and 'Sign out'. Below the header, the main content area is titled 'Submit report'. It contains four sections, each with a heading and a large text input field: 'Valuation observations', 'Tax / liabilities', 'Financial risks', and 'Missing information'. A vertical scrollbar is visible on the right side of the form area.

Complete property audit

- Owner, staff, Lawyer and CA actions appear in the case trail.
- The timeline continues beyond the first visible screen.

The screenshot displays the Nirvivad Administration interface. The left sidebar contains a navigation menu with sections: ADMINISTRATION (01), WORKSPACE, REQUEST WORKFLOWS, and PLATFORM SETTINGS. The main content area shows the 'Request details' page for a specific request (owner: USR-B9NVWR50). The timeline of events is as follows:

- fields:** title, category, buildingType, area, unit, state, location, locality, availableUnits
- Location Step Completed** (06 Oct 2026)
- Draft Saved** (06 Oct 2026)
fields: title, category, buildingType, area, unit, state, location, locality, ownershipType, availableUnits
- Ownership Step Completed** (06 Oct 2026)
- Property Submitted** (06 Oct 2026)
fields: title, category, buildingType, area, unit, state, location, locality, ownershipType, availableUnits, disputeType, description
- Basic Kyc Linked** (06 Oct 2026)
status: complete

Approved limited listings

- Buyer browsing requires completed basic KYC.
- Public listing summaries do not disclose private Owner information.

What the prototype covers

- The Administration summary records implemented journeys.
- Production services and final FRD rules remain next-phase work.
