CLIENT REVIEW EDITION

Administration overview

The administration side holds complete records, team queues and role approvals.

Customer accounts and roles

The screenshot displays the 'Customer accounts' management page in the Nirvivad system. The interface includes a dark blue sidebar with navigation links for Administration, Workspace, Request Workflows, Platform Settings, and My Account. The main content area shows a list of customer accounts with columns for Customer, Joined as, Added roles, Basic KYC, and Professional review. A 'Create NV Channel Partner' button is located in the top right corner. The table lists six demo accounts, each with a unique ID, role, and status. The 'Demo NV Channel Partner' account is highlighted in yellow.

One account can hold several roles. Super Admin reviews professional profiles and activates NV Channel Partners.

Property Owner dashboard

The Owner sees their own property, progress and only customer-facing actions.

Property Owner progress

The screenshot shows the Nirvivad web application interface for a Property Owner. The top navigation bar includes the Nirvivad logo, a user menu with 'Website', 'Console role', 'Property Owner' (selected), 'Manage roles', 'KYC centre', and 'Sign out'. The main content area features a blue header for 'Pune title dispute property' with the subtitle 'Your key milestones and any action requested by the Nirvivad team.' Below this, there are three cards: 'Property progress' (NV-6PVERIC8, Approved listing, Submitted: 7/10/2026, Residential - Pune - 4200 Square Foot), 'KYC' (Aadhaar: verified, PAN: verified, View Owner KYC button, Complete Owner KYC at any time, independently of property review.), and 'Subscription' (active). At the bottom, an 'Actions and updates' section lists three events: 'Property submitted for review. Nirvivad will update you after review.' (7/10/2026, 2:42:54 pm), 'Additional property information requested.' (7/10/2026, 2:42:54 pm), and 'Requested property information submitted.' (7/10/2026, 2:42:54 pm).

Report-section sharing

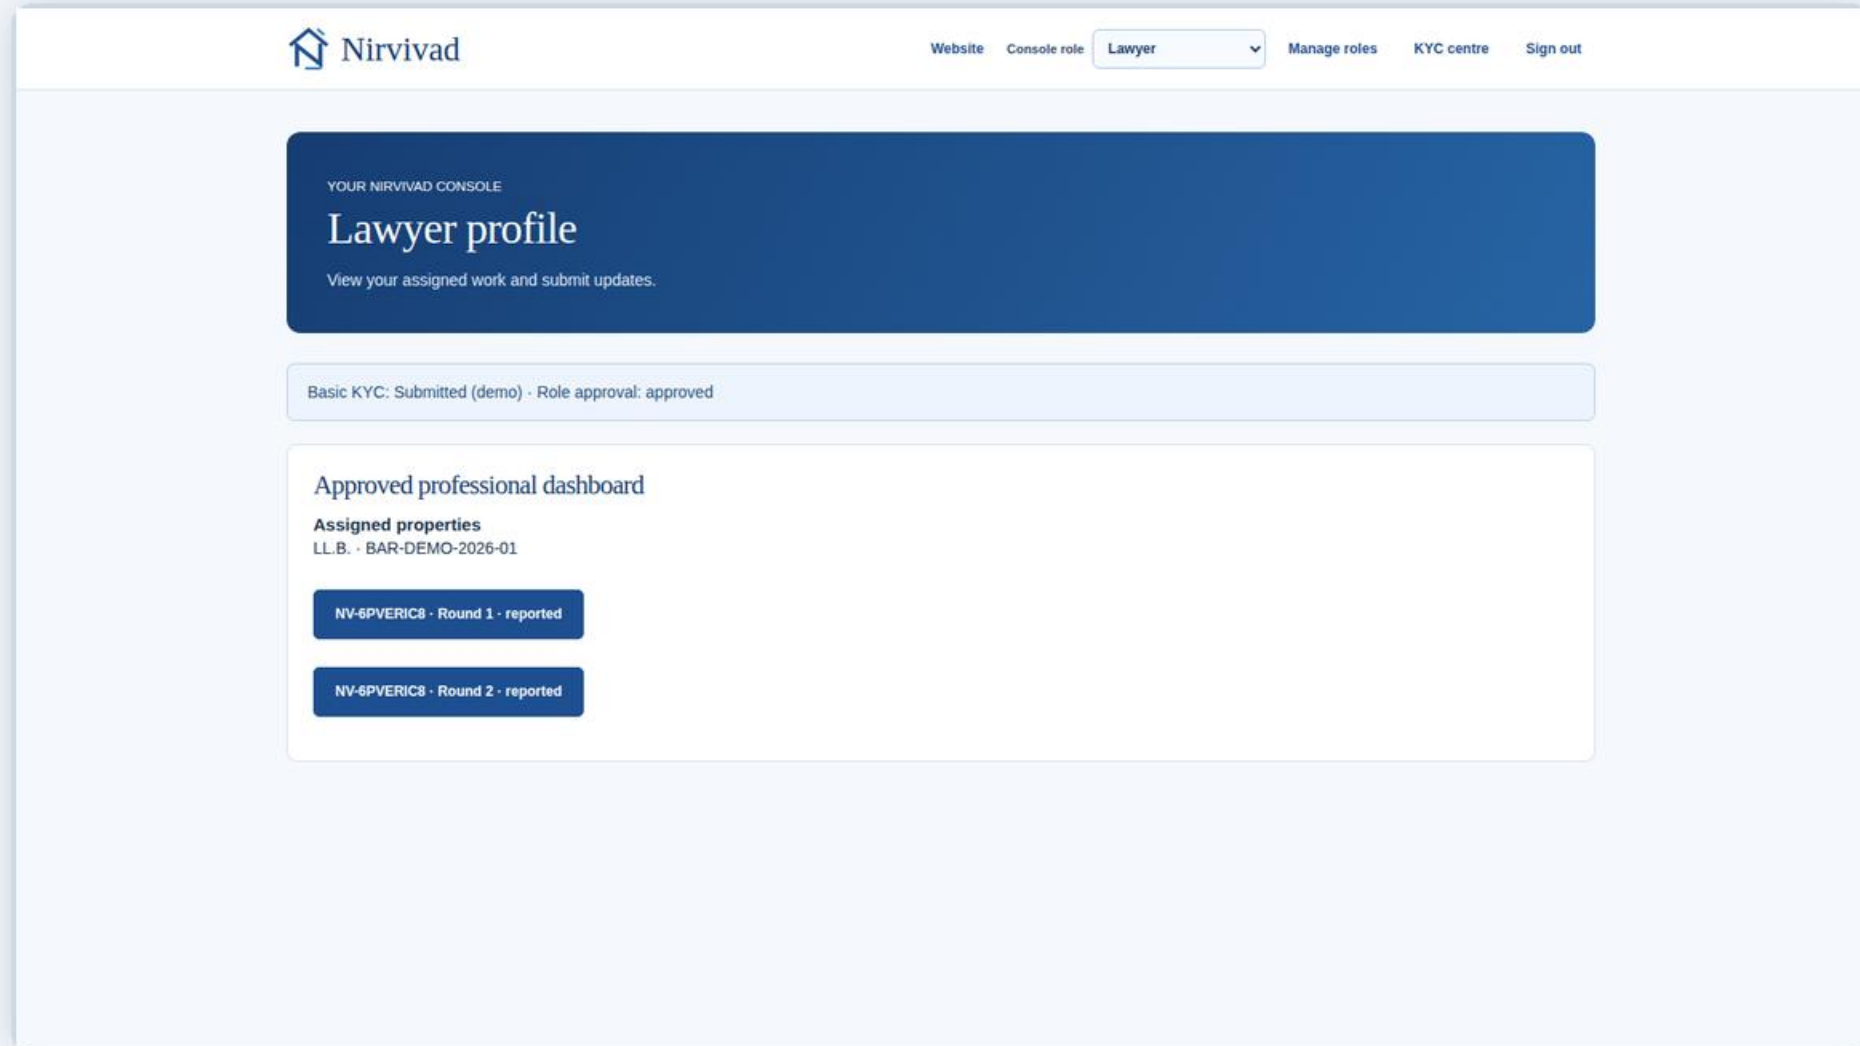

The screenshot displays the Nirvivad web application interface. The top navigation bar includes the Nirvivad logo, the breadcrumb 'Administration / Request details', a 'View website' link, and a user profile for 'Ananya Sharma Super Admin'. The left sidebar contains a menu with sections: ADMINISTRATION (01), WORKSPACE (Overview, Prototype summary, Users & hierarchy, Customer accounts), REQUEST WORKFLOWS (Property submissions, Buyer enquiries), PLATFORM SETTINGS (Master data, Subscriptions, CMS pages), and MY ACCOUNT (My profile, Change password). The main content area is titled 'Request details' and shows a list of report sections for sharing:

- Lawyer report · Round 1 · Demo Lawyer**
 - ☐ Ownership Title
 - ☐ Legal Risks
 - ☐ Recommendation
 - ☐ Include attachment: sample-legal-report.pdf
- Lawyer report · Round 2 · Demo Lawyer**
 - ☐ Legal Risks
 - ☐ Recommendation
- Chartered Accountant report · Round 1 · Demo Chartered Accountant**
 - ☐ Valuation Observations
 - ☐ Tax Liabilities
 - ☐ Recommendation
- Broker report · Round 1 · Demo Broker**
 - ☐ Market Observations
 - ☐ Locality Inputs
 - ☐ Recommendation
 - ☐ Include attachment: sample-market-note.pdf
- Arbitrator report · Round 1 · Demo Arbitrator**

On the right side of the form, there is a checkbox labeled 'Review title chain and ownership evidence.'.

The team chooses individual report findings, team notes and an optional attachment for each recipient.

Lawyer dashboard: two rounds

The same Lawyer receives a new round after submitting the first report; the earlier round stays read-only.

Lawyer follow-up review

The screenshot shows the Nirvivad web application interface for a Lawyer follow-up review. The top navigation bar includes the Nirvivad logo, a 'Website' link, a 'Console role' dropdown menu set to 'Lawyer', and links for 'Manage roles', 'KYC centre', and 'Sign out'. The main content area features a blue header with the text 'YOUR NIRVIVAD CONSOLE' and 'Lawyer · NV-6PVERIC8 · Round 2', followed by a note: 'Only explicitly shared property information and documents are visible here.' Below this, there are two side-by-side panels. The left panel, titled 'Shared property information', lists 'Category' as 'Residential' and 'City' as 'Pune'. The right panel, titled 'Shared documents', states 'No documents shared.' and includes a follow-up instruction: 'Follow-up: review new market context and the original title conclusion.' A larger section titled 'Information shared by Nirvivad' contains a 'Broker report 1' with 'Market / site observations: The locality shows steady demand.' and a 'Shared attachment' section showing a PDF icon and the filename 'sample-market-note.pdf'. At the bottom of this section, there is a text box with the instruction 'Review title chain and ownership evidence.' and a footer note: 'Professional and staff identities and contact details are hidden. Attachments appear only when explicitly shared.'

What to confirm with the client

01 Role-specific requirements

Final credentials, documents and report sections for Broker, Partner, Arbitrator and Builder.

02 Sharing permissions

Which professional findings and attachments may be shared with each assigned role.

03 Follow-up policy

When a submitted review requires a new round, due date, and approval before closing.

04 Production controls

Server authorization, durable audit, real KYC, document storage and notifications.
